

R  **NOG**
MEETING 10

BUILDING THE INTERNET OF TOMORROW

BUCHAREST • RADISSON BLU HOTEL
18 SEPTEMBER 2025

Welcome to RONOOG 10!

- The annual meeting of the Romanian Network Operators Group
- First held in 2014, now reaching its 10th edition
- Meetings take place once a year in autumn, from mid-September to late October
- Open to specialists and professionals in the telecommunications and networking industry, as well as to those interested in this field

How RONOOG works

- The **Programme Committee**, a group of volunteers from the telecommunications industry, is responsible for selecting the content
- **Interlan Association** (not for profit organization with 55 Romanian member ISPs) is responsible for the meeting budget, finding sponsors, and working with suppliers
- The **Sponsors** provide the necessary funds for the event to take place

Who attends RONOOG?

- **Operators & Peering:** Network operators, ISPs, Internet Exchange representatives, peering coordinators
- **Content & Digital Platforms:** Content providers, CDNs, streaming services, social media platforms
- **Vendors & Technology Providers:** Equipment suppliers, cloud providers, data centers, software & security vendors
- **Enterprises:** Large corporations with significant IT and telecom needs (e.g. banks, utilities, retail, transport)
- **Technical Community:** Engineers, specialists, and researchers in telecommunications and networking
- **Industry Associations & Community:** Professional associations, non-profits, and organizations supporting the Internet ecosystem
- **Policy & Governance:** Government institutions, regulators, international organizations
- **Academia & Students:** Universities, researchers, and young professionals interested in the field

Attendance information

- Attending is **free of charge**
- Free access: up to **two people per company** active in the telecommunications & networking field
- Free access also applies to **individuals connected to the field** – engineers, researchers, professors, students, freelancers, bloggers, tech enthusiasts
- For more than two attendees per company, an attendance fee applies or the company may choose one of the available sponsorship packages

Meeting Tool

- You received an invitation e-mail
- 10 Meeting Tables
- Available all day starting 8:00

The screenshot shows the MEET interface for a meeting titled "RONOG 10" on 18.09.2025 from 08:00 to 23:59. The interface includes a header with the MEET logo and user information for "Băleanu, Eric Andrei" from "Asociația Interlan". Below the meeting title, there is an "Invite" button and a menu icon. A description of the event is provided, followed by tabs for "Overview", "Attendees (250)", and "Chats". The main content area displays a calendar view for 18.09.2025 with a toggle switch for the day and a list of 10 available time slots, each with its own toggle switch.

RONOG 10

18.09.2025 08:00 - 18.09.2025 23:59

Description: RONOG marks its 10th anniversary edition, bringing together network operators, Internet service providers, data centers, regulators and international experts to explore the latest developments in Internet infrastructure. The conference program includes sessions on interconnection and peering, security challenges such as DDoS attacks, the role of regional infrastructure including submarine cables, network monitoring and resilience, as well as emerging technologies and the growing impact of artificial intelligence in networking. RONOG 10 is an excellent opportunity for professionals to exchange knowledge, foster collaboration and expand their business connections in a dynamic and international environment.

Community Expectations

RONOG is a community event. Together, we value openness, respect, and collaboration:

- Embrace diverse viewpoints and experiences
- Recognize and appreciate the efforts of others
- Show empathy, especially in disagreements
- Collaborate openly and constructively
- Put the community's interests first
- Share feedback in a positive and constructive way
- Use inclusive and welcoming language
